DEPARTMENT OF BUSINESS AND PROFESSIONAL
REGULATION

Division of Hotels and Restaurants

RULE NO.: RULE TITLE:

61C-4.010 Sanitation and Safety Requirements

The Florida Department of Business and Professional Regulation, Division of Hotels and Restaurants hereby gives notice:

On May 15, 2015, the Division of Hotels and Restaurants received a Petition for an Emergency Variance for Subparagraph 3-305.11(A)(2), 2009 FDA Food Code, Section 3-305.14, 2009 FDA Food Code, Section 6-202.15, 2009 FDA Food Code, Section 6-202.16, 2009 FDA Food Code, subsection 61C-4.010(1), F.A.C., and subsection 61C-4.010(6), F.A.C., from Roberto Diaz located in Orlando. The above referenced F.A.C. addresses the requirement for proper handling and dispensing of food. They are requesting to dispense bulk time/temperature control for safety foods other than frankfurters from an open air mobile food dispensing vehicle.

The Petition for this variance was published in Vol. 41, No. 101, F.A.R., on May 26, 2015. The Order for this Petition was signed and approved on May 27, 2015. After a complete review of the variance request, the Division finds that the application of this Rule will create a financial hardship to the food service establishment. Furthermore, the Division finds that the Petitioner meets the burden of demonstrating that the underlying statute has been achieved by the Petitioner ensuring that each pan within the steam table is properly covered with an individual lid; the steam table is enclosed within a cabinet with tight-fitting doors, and is protected by an air curtain installed and operated according to the manufacturer's specifications that protects against flying vermin or other environmental contaminants; all steam table foods must be properly reheated for hot holding at approved commissaries and held hot at the proper minimum temperature per the parameters of the currently adopted FDA Food Code; and steam table food is to be dispensed by the operator with no customer self-service. The Petitioner shall also strictly adhere to the operating procedures and copies of the variance and operating procedures are to be present on the MFDV during all periods of operation.

A copy of the Order or additional information may be obtained by contacting: Bianca.Kirkland@myfloridalicense.com, Division of Hotels and Restaurants, 1940 North Monroe Street, Tallahassee, Florida 32399-1011.

The Florida Real Estate Commission hereby gives notice:

Of the issuance of an Order regarding the Petition for Variance or Waiver, filed April 14, 2015, by Aaron F. Miller. The Notice of Petition for Waiver or Variance was published in Vol. 41, No. 61, of the March 30, 2015, Florida Administrative Register. The Board's Order, filed on May 4, 2015, denies the petition finding that Petitioner has not established that the Petitioner will have met the purpose of the underlying statute, nor that he has suffered a substantial hardship or that the principles of fairness are violated in this matter as opposed to someone similarly situated.

Agency for Persons with Disabilities

RULE NO.: RULE TITLE:

65G-2.007 General Standards

The Agency for Persons with Disabilities hereby gives notice: That on March 12, 2015, the Agency for Persons with Disabilities, received a petition for a variance from paragraph 65G-2.007(12)(e), F.A.C., from Advocates, Inc., Lakeside Group Home. The notice of the petition was published on March 17, 2015, in Vol. 41, No. 52 of the Florida Administrative Register. The rule states in part, "the facility shall provide fencing of at least four feet in height in areas identified by the Agency as Hazardous". Advocates, Inc. requested a variance from the requirement of a four foot fence and for the Agency to allow a three foot fence because its residents are wheelchair bound and unable to walk to any area of the outside the fenced area without staff assistance. The Agency agreed that removal of the fence would be an additional cost and would constitute an unnecessary financial hardship to the Petitioner and, given the present physical limitations of the current residents, would serve no purpose since adding a foot to the height of the fence would not have any measurable impact on the safety provided by the current fence. The variance shall remain in effect as long as the petitioner serves exclusively residents that are non-ambulatory. The order granting the petition was issued on May 29, 2015.

A copy of the Order or additional information may be obtained by contacting: David De La Paz, Esq., Agency Clerk, Agency for Persons with Disabilities, 4030 Esplanade Way, Suite 380, Tallahassee, Florida 32399-0950, david.delapaz@apdcares.org.

Agency for Persons with Disabilities

RULE NO.: RULE TITLE:

65G-5.004 Selection of Housing.

The Agency for Persons with Disabilities hereby gives notice: That on May 7, 2015, the Agency for Persons with Disabilities, received a petition for a waiver from paragraph 65G-5.004(2)(d), F.A.C., from William Palmer Esq., counsel for the Petitioner. The rule states in part: "Neither the supported living provider nor the immediate family of the supported living provider shall serve as landlord or have any interest in the ownership of the housing unit." Petitioner sought a waiver from paragraph 65G-5.004(2)(b), F.A.C., and indicates that R.S., has been living in the home owned by her provider for more than 20 years, has received intense specialized care while there, and regards the residence as her home. The Agency agrees that strict application of the rule would cause a significant hardship to R.S., and would preclude R.S. from receiving necessary personal support services from the provider she has known all of her life in the familiar environment she considers her home. The waiver shall be effective retroactively to May 18, 2015 and shall expire on December 31, 2015. Thereafter, the waiver is subject to annual renewal every calendar year starting January 1st pending receipt of a new petition. The order granting the petition was issued on May 29, 2015.
