CITY OF PALMETTO

Notice of Unsolicited Proposal for ReEnvision Palmetto, LLC Proceeding with Unsolicited Proposal for ReEnvision Palmetto, LLC

Notice of Bid/Request for Proposal

Report on Palmetto Community Redevelopment Agency

Proceeding with Unsolicited Proposal for ReEnvision Palmetto, LLC

Pursuant to Section 255.065(3)(d), Florida Statutes

On August 20, 2024, the Palmetto Community Redevelopment Agency (PCRA) received a public/private (P3) unsolicited proposal from ReEnvision Palmetto, LLC for the acquisition and development of seven (7) parcels located within the Palmetto Community Redevelopment Area accounting for a total of 4.52-acre. The lots are located at: 800 5th Street West

(1.69 acre/2793500059), 401 6th Avenue West (.64 acre/2798300159), 619 11th Street West (.66 acre/2651700003), 602 11th Street West (.63 acre/2655600109), 607 11th Street West (.15 acre/2651100006), 709 4th Avenue West (.32 acre/2794300059), 301 7th Avenue West (.54 acre/3105300109), Palmetto Florida. The CRA Board has agreed to convey these parcels as their contribution to the development of the project.

On December 16, 2024, the CRA Board held the first duly noticed public meeting pursuant to section 255.065(3)(c), Florida Statutes.

On January 6, 2025, the CRA Board conducted its second duly noticed public meeting on ReEnvision Palmetto, LLC unsolicited proposal pursuant to section 255.065(3)(c), Florida Statutes. The CRA Board heard public comments from the public at the meeting. The CRA Board made a first motion to remove the parcel located at 301 7th Avenue West (.54 acre/3105300109) from the list of parcels eligible to be conveyed to ReEnvision with a unanimous vote of 5-0. A second motion was made that ReEnvision Palmetto, LLC unsolicited proposal for the six (6) parcels identified above was in the public's interest in a unanimous vote of 5 to 0 based upon the following:

1.The benefits to the public.

a. This unsolicited proposal from ReEnvision Palmetto LLC offers several benefits to the public, such as;

i) Increase the housing supply, enhanced housing choices, tailored solutions to targeted community needs. Increase transportation infrastructure as required by the 2022-2028 Community Redevelopment Plan.

ii) Economically, the project will increase the City's property tax revenue by at least \$500,000/year, pay \$500,000+ in municipal impact fees, create 100+ development and construction jobs prior to completion, and create roughly 50+ additional permanent jobs for residents. This new economic activity will spread to every neighborhood in Palmetto, directly or indirectly.

iii) From a housing standpoint, the project will produce up to 100 multifamily apartment units, 25+ senior units, and 20+ townhomes with some amenities. These units will all be affordable housing units servicing residents at 120% Area Median Income and below.

iv) One of the most important benefits is for the City's long-term growth, the project will help to market the City of Palmetto as a vibrant and desirable place to live, work, and play, thereby serving as a catalyst for the continued revitalization of our underserved areas of Urban Palmetto.

2.The financial structure of and the economic efficiencies achieved by the proposal.

a. ReEnvision Palmetto LLC estimates that the total development cost, inclusive of all residential and some mixed-use retail, will be ~\$105M. To finance this project, they would secure commercial bank financing at 10% LTC or \$10M and will partner with other investors for additional funding for the project. They propose to leverage all funding with owner's equity and 4% or 9% tax credit funding through the State of Florida towards the construction of the total development.

3.The qualifications and experience of the private entity that submitted the proposal and such an entity's ability to perform the project.

a. Mikhail Scott is the managing principal of ReEnvision Palmetto LLC, a multifamily development, sales, property management, community engagement, and maintenance company based in the City of Palmetto. Founded in 2024, as a derivative of Indelible Solutions Inc. The company has a skilled team comprised of nine (9) personnel in addition to Mr. Scott: a business development specialist, 2 real estate brokers, a certified public accountant, a property manager, community engagement specialist, a construction financing professional, and a builder contractor.

b. The ReEnvision Palmetto team has worked in the real estate and development industry for over 30 years combined on both the residential and commercial track.

4. The project's compatibility with regional infrastructure plans.

a. The proposed project would require a rezone of the city lots. The project was preliminary vetted with the City Land Use and Zoning Department as well as the Building Department. The project will follow all Code requirements to obtain all zoning changes necessary to begin construction.

5. Public comments submitted at the meeting. The public comments were specifically related to how excited the residents were to see this much needed project is finally coming to fruition. In making its decision, the City considered all public comments, and the Mayor and Commissioners specifically made comments in response supporting their decisions. Since the City Commission and the public will have further opportunities to review, consider, and comment upon the comprehensive agreement for the development of all 6 parcels, the City believes the comments made will be sufficiently addressed in the forthcoming agreements.

2. The factors considered in making such public interest determination.

The factors that were taken into account by the City when making its public interest determination, as outlined earlier, include:

Consistency with the city's comprehensive plan and zoning laws.

Financial feasibility and the economic viability of the project.

Addressing affordable housing needs in alignment with state and federal housing goals.

Redevelopment of the City's underserved areas.

Economic benefits to the city include increased tax base, addressing slum and blight, job creation, and infrastructure improvements.

Community input on what the direct needs are for their communities.

Environmental impacts.

The allocation of risk and responsibility between the public and private parties.

Compliance with applicable laws.

Community input

3. The City's findings based on each considered factor.

The city must present specific findings regarding each of the factors considered. These findings should explain how the city evaluated each factor and the conclusions it reached based on the proposal. For instance:

The City concludes that the ReEnvision Palmetto LLC proposal aligns with the local comprehensive plan (after rezoning, modifications as discussed above, if approved) and the proposed financial ability to complete the project which includes commercial bank debt, investor equity, and CRA contributions towards development.

The findings include an assessment of how well the proposal addresses the revitalization of our underserved areas and the overwhelming need for affordable housing. The proposed housing development will provide a combination of rental and homeownership units, some public/private parking, and the working class of citizens and some senior residents will be able to enjoy the desired location to call their new home.

The passage of this motion was 5-0.

The Mayor there upon declared this motion duly passed and adopted on the 6th of January 2025.
